[Notice] Please dispose vanity glass case on bottle collection day

More vanity glass cases have become recyclable these days. We collect vanity glass bottles on non-burnable rubbish day now, but please dispose them on bottle collection day from April 2018.

<how to discard bottles>

1. Remove the top. Please get rid of inside plugs or pumps as much as possible. If it is hard to remove, please dispose them as they are.
2. Take the content out of the bottle and rinse the inside. You do not have to remove label. Please discard them in case you cannot take the content out of them or rinse the inside.
Creamy white colored bottles are non-burnable rubbish.

Be careful of troubles over internet shopping

Now that we can purchase things on the Internet very easily, many people tend to have more troubles about online shopping such as...

- You got health damage because of a health food you bought on the Internet. However, you cannot contact the dealer.
 - What kind of coverage can you get if you get a car accidents in a car you bought abroad?
 - You are suffering from eczema by using cosmetics. You want to quit regular purchase but you cannot cancel the contract.
- ※Before you click the "Purchase Button", please check points below very carefully※
- Contents of the contract such as a return policy.
 - Write down contact numbers of commerce service providers.
 - Check if the product is one of the recalled products. (You can check recalled products here: <http://www.recall.go.jp>)
 - Read an instruction book regarding safety issues.
 - In case the commerce provider has a registration system for its user, register as soon as possible.
