Type of Vaccine	Pfizer/ Moderna

3rd vaccination for 5-11 years old

The 3rd vaccination for children 5-11 years old has just begun.

Appointment

Those who have received the 2nd vaccination earlier will receive their vaccination tickets in turn. Once you receive your vaccination ticket, you can make an appointment online or by phone.

Vaccination Venue

Place	6 medical institutions in the city
Date	From October 4 (Tue)-
Type of Vaccine	Pfizer (for children)

Consent and accompaniment by a parent or guardian are required.

- If a parent or guardian cannot accompany the child on the day of vaccination, a power of attorney is required.
- Consult your family doctor regarding the interval between other vaccinations.
- In order to maintain vaccination records, "Mother and Child Health Handbook (*boshi kenko techo*)" is required on the day of vaccination.

Children also should be vaccinated ASAP!

The highly infectious Omicron strain is raging and spreading among children. The number of cases of infected children becoming more serious or even dying has been increasing. In some cases, symptoms of after effects may occur.

Vaccines for children, as well as those for adults, are expected to be effective in preventing onset and serious disease.

Those who have not received the 1st and 2nd vaccinations should consider getting vaccinated as soon as possible to prevent infection, spread, and serious disease.
