For mild symptoms, use over the counter medicines that can be purchased without a prescription.

**Use the National Health Insurance card properly.**

When you visit a medical institution for an injury caused by a traffic accident, etc., you cannot use the National Health Insurance unless you report it.

In addition, when visiting an osteoporotic clinic or orthopedic clinic, National Health Insurance cannot be used for pain in the shoulders, back or other parts of the body caused by internal organ diseases, or simply to relieve stiffness.
