Certificate issuance services

are moving from **in-person counters** to **convenience stores**.

In Fujinomiya City, the ownership rate of My Number Cards has reached 84%. Using your My Number Card, you can obtain certificates at convenience stores even on weekends, public holidays, and at night. We will continue to expand the types of certificates available at convenience stores. In addition, we will review and adjust the service hours for Sunday and Wednesday evening services based on actual usage to create a more convenient environment for everyone.

Can I do it...?

Please follow the instructions on the screen.

Let's try to get certificates at convenience stores!

You can also obtain certificates at convenience stores nationwide, as well as at MaxValu supermarkets and Aeon shopping mall in the city with multi-function copiers.

What You Need

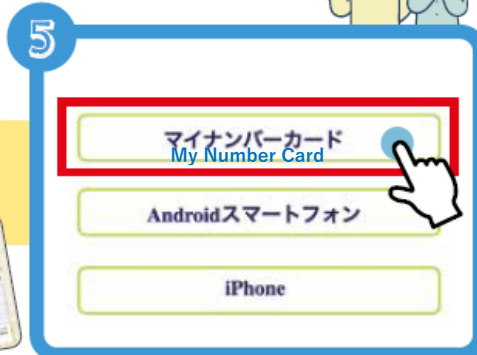

- My Number Card
- 4-digit PIN for My Number Card
- Issuance fee (cash)

First, find a multi-function copier.

※The position of the "行政サービス" button may vary depending on the multi-function copier.

Place your My Number Card on the machine.

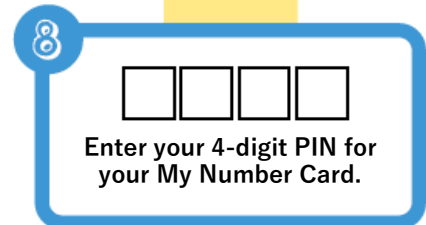

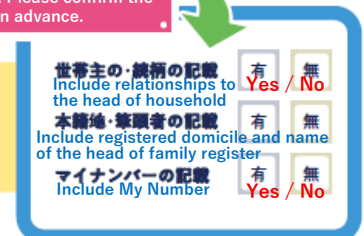

Tap "お住まいの市区町村の証明書 (Certificates issued by your municipality)". Do not tap the other two buttons below.

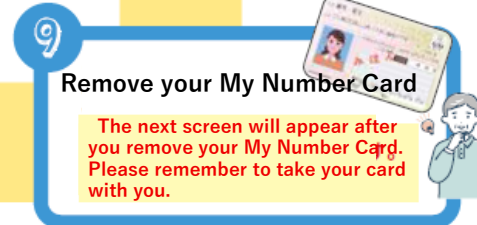

Select the certificate you need.

POINT

The information to be included, such as your relationship to the head of household or registered domicile, depends on the organization where you submit the certificate. Please confirm the required information in advance.

Enter your 4-digit PIN for your My Number Card.

Remove your My Number Card

The next screen will appear after you remove your My Number Card. Please remember to take your card with you.

Notice

If You Receive a Cancer Screening Result "Detailed Examination Required"

ID 1216

Cancer screenings help to detect early signs of cancer before any symptoms appear. If your screening result indicates "Detailed Examination is Required", please visit a medical institution and get tested as soon as possible.

Assuming you are fine because you "have no symptoms" or "feel healthy" can be dangerous. If cancer is present and left unchecked, the disease may progress without noticing.

Please be sure to undergo a detailed examination.
