**For Smooth Evacuation Support During Disasters**

ID 24

Those who may find it difficult to evacuate on their own or with only family support during a disaster, such as elderly households, nursing care recipients, and people with disabilities, are registered on the Registry of People Requiring Evacuation Support.

This registry is shared in advance with neighborhood disaster prevention organizations and welfare/child commissioners. This ensures smooth assistance and helps prevent people from being left behind during an evacuation.

Your or your family's consent is required to share this information. For those who are newly eligible this fiscal year, the consent form will be mailed to you by the end of October.

**Application** **Those who need assistance during an evacuation:** Please submit a consent form (available at the Welfare Planning Division (1st floor, City Hall) or on the city's official website) by mail, online or at the counter.
